MOTIVACTION RECRUITING CELEBRATES 10 YEAR ANNIVERSARY

PORTLAND, Ore. – MotivAction Recruiting, LLC is celebrating its 10-year anniversary this November. The company wants to recognize its partner relationships and the growth of the business in just a few short years.

This women-owned business established itself in the city of Portland in 2005 and quickly grew to a nationwide company. CEO Dawn Whitney employs a team of in-house and remote employees based in the following states: Oregon, Washington, California, Florida, New York, Minnesota, and Texas.

“I am immensely proud of my team and the success this company has achieved in the past 10 years,” shares Whitney.

This healthcare-staffing firm offers services in these key areas: Healthcare and Nursing Informatics; executive management; change management; healthcare management; and Information technology. MotivAction partners with health organizations across the United States and will announce the opening of its new Travel Nursing division at the start of November.

About MotivAction Recruiting, LLC:

Our staff uses a consultative approach to assist you in building new talent for your organization. We recruit across the United States for well-respected healthcare organizations.
